

17th October, 2026

How to get Involved.

Love Lawson thrives on the energy and commitment of our community. This festival has a long history of good and fun activities that help people connect with each other.

We need people to help to:

- organise the festival,
- spread the word
- help with the fundraisers and
- people to volunteer on the day.

If you are interested in being involved, fill in this form and we'll contact you.

Name _____

Address _____

Email _____

Phone _____

How would you like to be involved?
