17 OCT

Lawson Festival

Mid Mountains Community Centre

Youth Zone - 10am - 4pm

A place to hang out, come and go, use as a base for the day with friends while seeing youth artists perform in the hall from 12pm - 4pm.

YOUTH STALLS: Run by an eclectic group of young locals - exhibiting and selling art, craft, jewellery and face painting.

ZINE MAKING: Supplies set up all day in the Joy Anderson room - come by anytime and start your very own zine. Receive guidance, feedback, or just some friendly support to find your direction, map out steps, set a goal and get started. We want to hear your stories and perspective.

BADGE MAKING: Capture wise words, add a touch of whimsy, make a set for your best friends, for your band - get creative, anything goes.

RETRO GAMING LOUNGE: Retro console and games provided by Neon Skies Katoomba! Comfy lounges set up and free retro gaming all day.
